SASSY

Q Your family background : I come from a low-income family from a small town. My grandmother own chickens and a small farm. With it being 12 of them, but now down to 10, my great grandfather left them all land to share before he had passed. My family did not always get along but we maintained when my great grandparents were around; when they died, everything went left. My family are really big on respect with a strong southern hospitality. No one could really understand my family's accent unless you're pretty country or from Albany, Ga as well. (lol)

Q How they help you in modeling career ? No one helped me with my modeling career. As an independent young lady, I handle everything on my own and take care of myself as well. I have to this go-getter mentality in everything that I do and it shows within my brand, and in my work.

Q Any special childhood prank or memory : One of my biggest memory is me being bullied when I was back in 2nd or 3rd grade by this big grade back in Day Care, everyone was scared of her. But what I do remember is that one day my sister and I teamed up and smacked the bully in her face with a flip flop and ran because she started chasing us! (lol) Her name was Tamara.

Q Educational qualification : Clark Atlanta University Alumna

Q How you became a model, how did you experience the first job you did as a model? As a professional dancer and go-go dancer, modeling and dancing comes together because of me having to have professional work of me. That is mainly how I get booked. Although I had barely shot, I had my first shot back in September 2014 and it took off from there with photographers wanting to work with me. Now with the life I am living, I am able to choose wisely with who I work with because everyone is not good to shoot with.

Q Your inspiration : My inspirations are TLC & Janet Jackson; they are strong, black, positive, powerful, ambition, and beautiful queens. They inspire me to be comfortable in my school and to follow my dreams no matter what.

Q Projects you have worked in : I have worked on several projects, including dance. These projects mainly included movie video and anything pertaining to dance.

Q Recent projects : Music Video by new artist Benjamin with "Heartache"

Q Put these factors in order of importance for becoming a successful model: The right looks, hard work, luck: Looks, hard work, & luck.

Q What's been the best moment of your life ? My best moment of my life is me graduating from college.

Q What would want in the afterlife? I would want happiness in the afterlife.

Q If not modeling ,what would u hv done ? I have danced in dance showcases, shows, and paegants.

Q Wild dream: My wildest dream is me getting chased by a movie story; long story. Lol.

Q Hidden fear : I am afraid of the dark.

Q Hidden talent : People who knows me now does not know that I used to play basketball.

Q Your first kiss ? His name was Michael Ford back in 6th grade.

Q Define LOVE in your words . Love is God, God is love. When you love someone, you never treat them wrong for this. You would never hurt them either. Love is a tough but beautiful thing, as well as a wife.

Q Message for youth n freshers in this line ? Reach for the stars; never give up!

Lastly, what do you think of Modelz View Magazine n Modelzview.com ? Modelzview is very well put together and is organized. That says a lot! Professionalism is very very important to me. <4

- Q Your family background :** French
- Q How they help you in modeling career ?** My parents have never questioned me about my dreams. They have supported me in every single decision I have ever made, as long as they knew it would make me happy. They are the best!
- Q Any special childhood prank or memory :** I have so many memories of my childhood! Every day after school my sister and I would watch Power Rangers. I also remember making the absolute stupidest videos with my sister. We would put on plays for my parents and they would record it. (I wonder if there is still video evidence of these acts anywhere, lol.) We would also make up our own parody songs such as "What a Squirrel Wants."
- Q Educational qualification :** I have two degrees- one in Paralegal Studies and one in Criminal Justice. I also plan to get my Real Estate License soon.
- Q How you became a model, how did you experience the first job you did as a model?** I became a model by competing in the International Bikini Model Search in Destin, FL. Then I flew out to Punta Cana for a week long modeling convention. It was amazing!
- Q Why did you choose this line ?** I have always loved being in front of the camera, whether in photos or videos. Even when I was a little kid, I loved performing and being the center of attention. I always knew I would want to model or act one day. I am so thrilled that I was able to make my dreams come true.
- Q Your inspiration :** As far as models who inspire me, I love Sara Underwood.. Who doesn't!
- Q Projects you have worked in :** I have attended Punta Cana for the International Bikini Model Search. I have also been published in magazines and walked in a fashion show.
- Q Put these factors in order of importance for becoming a successful model: The right looks, hard work, luck:** I think the most important factor is hard work. I don't think it's possible to be successful in anything without hard work. After hard work, I think having the right looks would be second, and then lastly would be luck.
- Q What's been the best moment of your life ?** It was probably when a lady brought a homeless, injured dog into the vet clinic where I was working at the time. She needed her leg amputated due to a severe injury, but the woman could not afford it. I decided I would pay for her to have the surgery and I ended up falling in love with this dog. I have had Riley for 5 years now, and I still think back to that day. So glad I decided to adopt her because she is one of the most important things in my life today!
- Q What would want in the afterlife?** I would just want to be with all of my loved ones.. Family, friends, and my two dogs.
- Q If not modeling ,what would u have done ?** I am planning to get my real estate license soon- So I guess I would be selling condos on the beautiful beaches of Florida!
- Q Wild dream:** One of my wildest dreams would be to be in a big screen movie or on TV as a well-known model or actress.
- Q Hidden fear :** My biggest fear is roaches, but a hidden fear of mine would have to be my fear of life passing me by. I hate thinking that one day I will be old and wondering if I made the most of the life I was given. That is why I try to seize every day!

Q Hidden talent : I can twerk while in the splits.
Q What is the sexiest part of your body ? I love my legs. They may be small, but they are mighty! And of course my boobs aren't bad either haha.
Q Your first kiss ? Oh man, I was probably 11 or 12.. Playing truth or dare at a birthday party. Or maybe it was spin the bottle.. Who knows!
Q First crush/love ? Besides little crushes on celebrities when I was younger, my first huge crush was on a boy in middle school, but I was always too shy to tell him, haha.
Q Refine LOVE in your words : Not being able to imagine your life without someone.
Q Message for youth n freshers in this line ? Dream big! If you really want it, go for it. Don't be afraid of failure- any attempt at success will only make you smarter and more experienced.

Fav car- My favorite car has always been an Audi TT. I will eventually own one!
